1. **Genpact** (Dec 2025 – Present)

Designation Tech Lead

Project #1: AppBank Automation

Client Goldman Sachs

Tools Playwright with TypeScript, Cucumber, CI/CD, VS Code, Jira, Zephyr, Aqua studio, GitHub

AI usage Copilot, Claude Agents, Playwright MCP Server

Role Tech Lead

Period Dec 2025 – Present

Roles and Responsibilities:

Leading the QA team for AppBank apps viz, COBNext and Foreman automation.

Connecting with the product team for requirements and coordinating between management and the automation team.

Analysis and understanding of project requirements.

Performed Test automation of new test cases and test defect fixing in existing test cases.

Execution, Defects Reporting and Tracking, Report preparation.

2. **Tech Mahindra** (Mar 2025 – Oct 2025)

Designation Tech Lead

- **Project #1:** Gauntlet Test Automation

Client Meta(Facebook)

Tools Playwright with TypeScript, VS Code, Gauntlet Framework

Role Tech Lead

Period Mar 2025 – Oct 2025

Roles and Responsibilities:

- Analysis and understanding of project requirements.
- Performed Test Design of new test cases and test defect fixing in existing test cases.
- Key resource for Malibu(smart watch) product testing. Triaging of CI runs and classification of defects into product, infra and test issues.
- Testing of AR Glasses.
- Execution, Defects Reporting and Tracking, Report preparation.

3. **IBM**

(Nov 2021 – Nov, 2023)

Designation Consultant

- **Project #2:** SIC Repo Enhancement

Client Standard Insurance(SIC)

Tools Playwright, Github for VC, Github Actions for CI

Role Consultant

Period Feb 2022 – Nov, 2023

Roles and Responsibilities:

- Analysis and understanding of project requirements.
- Performed Test Design and xml preparation.
- Execution, Defects Report and Tracking.
- Key resource in **Automating the functional requirements and regression test suite of SIC using playwright.**
- Coordinating with Business Partners for Requirement Analysis.

- **Project 1#:** Lloyds Bank

Client Lloyds Bank

Tools Playwright, API testing, Github for VC, Github Actions for CICD

Role Advisory Technical Services Specialist

Period Nov 2021 – Feb 2022

4. **Siemens Technology and Services Pvt. Ltd.**

(May 2018 – Nov 2021)

Designation Senior Software Test Engineer

- **Project #1:** TIA Portal

Business Partner Siemens

Tools **Selenium Java**, TestNG, Tiflib, SAA, TFS, Maven, **API testing**, **Postman**, **REST Assured**

Role Senior Software Test Engineer

Period May 2018 – Nov 2021

Roles and Responsibilities:

- Analysis and understanding of project requirements.
- Performed Test Design and xml preparation.
- Execution, Defects Report and Tracking in TFS.
- Key resource in **Automating the functional requirements and regression test suite of TIA application using Selenium.**
- **API testing** using **Postman**, **REST Assured.**
- Setup test automation for TIA portal.
- Coordinating with Business Partners for Requirement Analysis.

5. **Cognizant Technology Solutions Pvt. Ltd.**

(Jun 2014 – May 2018)

Designation Programmer Analyst

- **Project #3: ASPAC PCM**

Client Johnson & Johnson

Tools **Selenium, Craft framework**, Maven, Git, Jira

Role Test Engineer

Period Jul 2016 – May 2018

Roles and Responsibilities:

- Analysis and understanding of project requirements and TCP Estimation.
- Performed Test Design and xml preparation.
- Execution, Defects Report and Tracking in HP ALM/ Jira.
- Key resource in **Automating the functional requirements and regression test suite of Order360 application using Selenium.**
- Coordinating with Onsite counterparts for Requirement Analysis.
- Coordinating with J&J BA for Requirement Analysis.

- **Project #2: Echo Contact Centre Technology (ECCT)**

Client The Hartford Insurance

Tools **Selenium, TestNG framework**, Quality Center, HP ALM, SOAPUI, BugZilla

Role Team Member

Period Nov 2014 – June 2016

Roles and Responsibilities:

- Analysis and understanding of project requirements and TCP Estimation.
- Performed Test Design and xml preparation.
- Execution, Defects Report and Tracking in QC.
- Key resource in **Automating ESM** application using **Selenium.**
- Key Resource of the project team in EC3 application.
- Trained new resources on EC3 & ESM applications.
- POC for Knowledge Management in ECCT.
- Coordinating with Onsite counterparts for Requirement Analysis.
- Coordinating with The Hartford BA for production testing/ validation.

- **Project#1: National Accounts Database (NADB)**

Client The Hartford Insurance

Tools Quality Centre, HP ALM

Role Team Member

Period Jun 2014 – Nov 2014

Roles and Responsibilities:

- Analysis and understanding of project requirements.
- Performed Test Design.
- Execution in QC.
- Defects Report and Tracking in QC.
- Key Resource of the project team in SNAQS application.

Education

Name of Examination	Name of Institution	Board/ University	Year	Class/ Division
B.E. (Electronics & Telecommunication)	Assam Engineering College, Guwahati	Gauhati University	2013	1 st
H.S.S.L.C. (12th)	Cotton College, Guwahati	AHSEC	2009	1 st

Name of Examination	Name of Institution	Board/ University	Year	Class/ Division
H.S.L.C. (10th)	Saraswati Shiksha Niketan, Mirza	SEBA	2007	1 st

Technical Skills

- **Operating system** : Windows, Mac
- **Languages** : TypeScript, JavaScript, Java, C#
- **Software/ Tools** : Playwright, Github, Github Actions, HP QC, Selenium, Maven, Git, TFS, Jira, SSMS, POSTMAN, RestAssured
- **Automation Framework**: TestNG, Craft, Page Object model, Hybrid Framework, TifLib
- **DBMS** : MySQL, MongoDB
- **Web technologies** : HTML
- **Business Process Tools** : MS-office, Excel, Power point, Excel Macros

Certifications

- **ISTQB – Foundation Level**
- **ISTQB – Advanced Level** (Technical Test Analyst)
- General Insurance CCP
- **Agile Testing CCP**
- Quality Centre CCP
- Automation Testing CCP
- IBM Agile Advocate Badge
- AI White Belt certified(Sep, 2025)

Responsibilities Taken

- Leading a test team of 10 resources.
- Primary POC for Knowledge Management activities in ECCT (project team).
- Core member of HQAA technical team for portal development in The Hartford (Client) for Cognizant.
